Standard Du Bois Opening Sizes

From inside of leg to inside of leg at bottom of breastboard

36" Fireplace Width 48"
42" Fireplace Width 54"
48" Fireplace Width 60"

(Refer to List Price Sheet page 7 for optional prices)

For any size fireplace choose the following standard leg size

Standard Leg Heights - 39", 40", 43" & 45" & VTS
(Refer to List Price Sheet Page 7 for optional prices)

Heat-N-Glo Versatile surround sizes are standard.
(Print versatile size in the opening size blank) ie: VTS36
Heat-N-Glo & Versatile are Trade Marks of Hearth Technologies, Inc.

Xtrodinair Fireplace surround sizes are also standard
(Print Xtrodinair Model in the opening size blank)
Xtrodinair is a Trade Mark of Travis Industries

Important Note: We do not include the scribe dimension when we determine the opening size.
ie: Based on 48" - width is actually 46 1/2" if scribe is 3/4" wide

Refer List Price Sheet Page 8 for Specifications

Leg Returns
Standard Return 1"
Options: Brick Return 4 1/4"
Specify other size - Call for quote

(Refer to List Price Sheet Page 7 for optional prices)

Standard Scribe is 3/4" wide x 1" deep or 3/4" x 1" for Versatile
Scribe size is based upon 3/4" non combustable material
If **tile** is used, scribe is optional - 1" wide x 1 1/4 deep"
(Refer to List Price Sheet Page 7 for optional prices)

Shelves Non Standard Shelf Lengths
Standard Shelf width Contractor Series is 6" - 8" is optional
Standard Shelf width 1000 Series is 8" - 10" is optional
(Refer to List Price Sheet Page 7 for optional prices)

Dentil
Dentil is optional on some surrounds.
(Refer to List Price Sheet Page 7 for optional prices)

Quantity			Opening Size		Options
