## Standard Stains

Stain supplier - Valspar

Top coat system - Valspar Resistovar

Resistovar is a quality varnish that is used by the high end furniture industry. It is a three coat system. The top two coats utilize a catalyst which produces a much harder finish.

<p><b>Autumn Haze Medium Oak Stain</b></p> <p><b>Part Number 1010</b></p>	
<p><b>English Manor Dark Oak Stain</b></p> <p><b>Part Number 1020</b></p>	
<p><b>Russet Cherry Medium Cherry</b></p> <p><b>Part Number 2010</b></p>	

The colors are a representation of the finished color when stained and coated with Resistovar. Stain color varies depending on the color, grain, texture & surface porosity of the wood and will not match exactly to color samples.
